Company Overview

NGONGE LLC is a trusted small business federal contractor providing full-spectrum facility support, sanitation, waste management, and logistics solutions for U.S. government and defense agencies. We deliver mission-ready, environmentally compliant services that support base operations, exercises, and contingency deployments. With expertise spanning portable sanitation, laundry and gray water systems, and logistics coordination, NGONGE LLC ensures readiness, compliance, and operational continuity for defense and civilian customers nationwide.

CORE COMPETENCIES

- Portable Restroom and Handwash Station Rentals for field operations and base events
- Temporary Shower, Laundry, and Wastewater Management Solutions for contingency operations
- Gray Water and Septic Waste Removal Services compliant with environmental standards
- Industrial Linen, Mat, and Uniform Rental Services with weekly exchange logistics
- Facility Maintenance, Environmental Waste Handling, and Logistics Coordination
- 24/7 Rapid Response Logistics ensuring continuity during exercises and mobilizations

DIFFERENTIATORS

- Proven Department of Defense and Department of the Army contractor with multiple successful projects
- Full OSHA, EPA, and DoD compliance across all operations
- Rapid deployment capability with national response within 48–72 hours
- Integrated logistics and asset tracking system for compliance and efficiency
- Reliable partner network providing nationwide scalable service coverage
